To

The Hon'ble Secretary to the
Government of Mysore.

Sir,

In returning the sanctioned Estimate for Rs 7505/- for repairing a Chandrasala to the Rameshwara Temple at Sorkalli, received with Government Proceedings No. 635-6 dy 1st April/95, I have the honor to state that the actual work done amounts to Rs 6410 6-3-6 as will be seen from the measurement list prepared by the P.W.D. Department herein enclosed, and to request that sanction of Government may be accorded to the same,

as the original sanctioned Estimate was prepared on a rough scale allowing only reduced rates for certain items of stone work, which in the course of execution cost more than what was provided in the Estimate, the work having been done in a more substantial manner than was provided in the original Estimate.

2. A sum of Rs 53/- was provided in the Estimate for "stone in clay and filling foundation", but when the work was put in hand, a rock intervened and this had to be broken, so that the foundation may be brought to the proper level and this has cost Rs 174-15-0.

3. The P.W. Sub Div. officer at Virhalli has been requested to prepare a revised Estimate

for

for the remaining items of work and will be submitted in due course for sanction.

[illegible] Defence.

Sir,

In forwarding herewith the final accounts [illegible] in original for Kr. 7,714.9.8 purchased by the Public Defence Committee and received with the Provincial Engineer's Order No 137 dated 20th September 1901, for constructing Klundia-Eide in the Rauland [illegible] Temple at Dittali I have the honour to state that

a sum of Rs 7,505/- was sanctioned for this work in Government Proceedings No. 635-6 dated 1st April 1892. But in the course of the execution of the work, the amount sanctioned was found somewhat inadequate and it became absolutely necessary to incur a slight additional charge of Rs 409.9.8 to make the building a substantial one.

2. The final measurement bill for Rs 7,914.9.8 now submitted includes items amounting to Rs 4,406.3.6 sanctioned and already adjusted under orders conveyed in Government Proceedings No. 274.S dated 17th August 1895. Accordingly there remains for payment only a sum of Rs 3,508.6.2 which may be met from the re-
